Dear ISB Alumni and Friends

Changes were recently made to the ISB Network Board of Directors. Several members of the board declared their intentions to move on, after ably serving for a number of years each, devoting themselves with hard work borne out of a love for ISB. This is not unusual as the number of board members rises and falls with changes in member commitments to family and employers. The by-laws allow for a minimum of three members and a maximum of 11 members.

Toward the end of 2017 the number of board members had drawn down to eight. Three decided to exercise their declared intent to resign. They are Kathie Boslet, Donald Nibblett and Marla Stover. We are ever grateful for their service. They will be sorely missed. We will be recruiting new members of the board in the hopes of not only increasing the number, but also of encouraging younger alumni to participate.

You will note below that several members are doubled up in their responsibilities. Some are serving a post in a temporary capacity. We will be looking to get new board members to help in these areas as a matter of priority. If you are interested in learning more about the board, or volunteering for the board, contact info@isbnetwork.com

We look forward to serving you in the exciting months ahead, as we work to ensure a fabulously successful biennial reunion, this time in Nashville in July.

Kind regards,
ISB Board of Directors
